

JUMP INTO SUMMER WITH GLOWING SKIN

TROPICAL HOLIDAY GLOW

IDEAL FOR COUPLES, DOUBLE TREATMENT

Not just another body wrap.....this treatment involves buffing away dead skin cells using a fruit tonic to restore a healthy glow by encouraging lymphatic circulation; this is further enhanced as the body is massaged with a smoothing pink French clay crème mousse rich in a blend of exotic fruit extracts and pure plant oils that deeply tone, brighten and regenerate the skin. A fresh blend of citrus rind essential oils rich in vitamins deeply hydrate and rejuvenate devitalized skin restoring a healthy glow. The body is wrapped for warmth then the face cleansed with a creamy cleanser and massaged, including scalp for that top to toe experience and complete surrender to relaxation.....

Upon showering the body is moisturized to lock in, restore and fortify the skin with a delicious crème enriched with coconut, jojoba oil, cocoa & shea butter and of course pure essential oils.

Promoting soft, supple youthful skin all day long.....

Your professional Spa Therapist will recommend the right product for you.... to enjoy your *Tropical Experience* at home
